E. Detailed DMA Recital Requirement

One DMA qualifying recital*

**Two traditional solo recitals or one traditional solo recital and one lecture recital (1-2 s.h. each) **
One collaborative recital featuring more than one other instrument (1-2 s.h.)**

*A qualifying recital must be presented within the first year of residency. This recital must conform to the general requirements established for DMA voice recitals, including repertoire requirements, committee members and recital preview date. At the discretion of the voice faculty, the qualifying recital may also satisfy the requirements for one of the DMA recitals, provided the program consists of repertoire that is new to the student and the committee agrees to the repertoire.

**One hour Lecture Recital divided evenly between lecture and performance in which the directed research undertaken in connection with the lecture-recital culminates in a formal paper submitted for approval prior to the public presentation. The musical portion of this recital must be memorized.

Every DMA recital must be previewed before the voice faculty at least two weeks prior to the recital date to assess the preparedness of the candidate to perform the recital; the voice faculty reserves the right to select pieces they wish to hear, to change the order of the pieces, and to cancel or postpone the recital at that time.

With the prior approval of the candidate's committee at the time of opera or oratorio auditions, he/she may substitute a major role in an opera or oratorio for the collaborative recital.

Degree credit will not be given for a DMA recital graded unsatisfactory (lower than a B-minus). If the recital is so graded, it may be repeated within a two-month period at the discretion of the voice faculty. Two unsatisfactory recitals constitute grounds for dismissal from the program.

DMA Recital Committee Requirements : The candidate may select the DMA recital committee, which shall consist of at least three University of Iowa voice faculty plus two University of Iowa music faculty members from a different area, all approved by the Graduate College. It is the candidate's responsibility to select a recital date and a preview date compatible with the schedules of his/her committee.

F. Comprehensive Exams: Comprehensive exams must be taken. This exam evaluates the candidate's knowledge of music theory, music history, song literature and vocal pedagogy. A Plan of Study form must be completed with the advisor prior to taking the comprehensive exams. **Comprehensive Exam Committees Requirements:** Refer to *Manual of Rules and Regulations of the Graduate College* to determine information regarding selection of Comprehensive Exam Committees.

G. Doctoral Essay – 2 s.h. minimum; 6 s.h. maximum. Candidates for the DMA in Voice must give evidence of their ability to make a scholarly investigation by means of The Thesis for General Distribution or The Essay for Limited Distribution, in accordance with the Graduate College Thesis Manual and Deadlines for Submission. The candidate is required to submit to an oral defense of the thesis or essay by the committee, which will determine the scholarship, preparation of materials, academic form, and thoroughness of the paper presented. **Doctoral Thesis or Essay Committee:** Refer to *Manual of Rules and Regulations of the Graduate College* to determine information regarding selection of Doctoral Thesis or Essay Committee and procedures for completion of the degree.
