E. Foreign Language

French, German or Italian proficiency (other languages must be approved by the composition area) or the substitution of relevant computer programming language proficiency. Students can satisfy the proficiency requirement in one of the following ways:

☐ Completion of the fourth semester of the language at the undergraduate level with at least a grade of B, within the last 10 years.
☐ Testing out of the fourth semester of the language at the University of Iowa. Placement exams in French, German, and Italian are offered each semester by the UI Examination Service, 300 Jefferson Bldg.
☐ Written examination administered by the composition faculty. The exam will consist of a short article in the designated language, about which the student will answer a series of questions and of which she or he will translate a short excerpt.
☐ Two semesters of one or more programming languages with a grade of B or above.
☐ A research project that employs one or more programming languages (C, Java, Pure Data, MAX, Csound or SuperCollider, etc.) that produces compositionally, musically or pedagogically useful source material. Students wishing to pursue such a project should discuss their ideas with their professor and the Area Head. The project is submitted as a short written document with relevant examples.

F. Area Keyboard Examination

Demonstrate basic keyboard ability in one of two ways:

☐ Take and pass (with a B or better) MUS:4210 Keyboard Harmony
☐ Take and pass the final examination for MUS:4210, by arrangement with the organ faculty
